"Die Dürfen Das" is your a cappella surprise package.

One moment you're wiping away a tear of laughter, the next a tear of emotion joins it during the next moving ballad.

One moment you're spellbound by the original lyrics, the next you're singing along at the top of your voice to the next song.

One moment a percussion instrument was rustling, the next a booming beatbox is blaring out at you.

Sandra, Cairo, Lars & Sven can do all that - and they do it all. Why? Well, they're allowed to!

Die Dürfen Das captivate audiences with the rich, full sound of their voices.

As an added bonus, they complement their a cappella singing with a treasure trove of percussion instruments of all kinds, without losing any of the charm of a vocal ensemble.

They show that they can both enchant with their voices and captivate with original lyrics and stage performances. They rely on their own German lyrics, written with a touch of humour, and occasionally borrow a few elements from well-known songs, taking the audience on a journey across all musical genres.

And the audience is often happily drawn into the show too.

Why? Well, they're allowed to!
