

Bachelor of Arts (Social Work)

The application deadline for the 2024 recruitment year has already passed.

– What we offer you

- A three and a half year dual study programme with an optimal combination of theory & practice
- Learning in a fixed course group
- A variety of possible fields of employment during the studies and afterwards
- An attractive income
- Working in a committed and open team
- Flexible working hours
- Good chances of being taken on

– What you should bring with you

- General higher education entrance qualification or unrestricted entrance qualification for a university of applied sciences
- Skill in dealing with people
- Ability to work in a team
- Ability to communicate
- Willingness to learn and perform
- Flexibility
- Ability to work under pressure

– This is how the study programme works

The course is divided - weekly - into theory and practical days. It takes place at the FOM Hochschule für Oekonomie & Management (Essen or Oberhausen) [↗](#) and enables you to support people in various life situations in their everyday lives. In addition to the basics of education, psychology and sociology, the programme teaches social work methods and knowledge of special intervention measures (e.g. conflict moderation). In addition, you will deal with the fields of action of child and youth welfare, addiction support, inclusion and case management.

Further fields of action in the degree programme:

- Social administration & social policy
- Financing & social marketing
- Social medicine

On the practical days, you will work in the Youth, Family, School and Sports Department of the Bocholt municipal administration.

— Possible areas of employment after graduation

After successfully completing your studies, you can be employed in the Department of Youth, Family, School and Sport.

I will be happy to answer any further questions
