City Library

"Library Night" meets "Dangerous Half-Quiz"

The municipal library is becoming a meeting place for quiz enthusiasts

Quiz night featuring general knowledge, fun puzzles and great prizes // Friday 23 April 2027, at 7 pm at Bocholt Municipal Library // Tickets: 40 euros per team

Bocholt Municipal Library invites you to a special quiz night on Friday, 23 April 2027: Under the theme "'Night of the Libraries meets Dangerous Half-Quiz'", the library will be transformed into a meeting place for anyone who enjoys tricky questions, surprising answers and the fun of solving puzzles in good company. From 7 pm, knowledge, creativity, team spirit and a good dose of luck will be called for. Tickets for the evening are now on sale.

This year's theme for the "Night of the Libraries - Diversity. Encounter. Togetherness." - is also reflected in this quiz night. People with different interests, levels of knowledge and perspectives come together, exchange ideas, puzzle things out together and discover just how much fun it is to explore knowledge as a team.

"A library is far more than just a place for media - it is a place where people come together, discover new things and strike up conversations. With this quiz night, we want to bring exactly that to life: an evening full of joy, shared experiences and surprising encounters, where everyone is welcome and the focus is on being together", emphasised library director Melanie Tenhumberg.

At the pub quiz, participants can look forward to a varied mix of questions and rounds of puzzles centred on general knowledge. Whether multiple-choice, open-ended questions, picture puzzles or estimation questions - the different formats ensure entertainment, excitement and plenty of opportunities to get involved. The quiz is played in teams of up to four people. The three teams with the most points can look forward to attractive prizes at the end.

Puzzling, laughing and testing your knowledge together

Georg Wolberg and Fabien Rößing from the "Gefährliches HalbQuizzen" team will be hosting the quiz night. With a varied selection of questions, surprising challenges and different quiz formats, they'll ensure that both die-hard quiz fans and casual players get their money's worth. The focus isn't just on knowledge, but above all on the shared enjoyment of puzzling, discussing and finding the right answers.

On this evening, the city library will become a place for meeting people, entertainment and shared experiences. Whether with friends, family or colleagues - the pub quiz offers the chance to spend an entertaining evening in a special pub atmosphere and to experience the motto "Diversity. Encounter. Togetherness." in a playful way.

A quiz night as a Christmas present

The tickets also make a special Christmas present: instead of a traditional gift, why not give the gift of an evening together full of puzzles, fun and surprises? A ticket costs 40 euros and is valid for a table of up to four people. This makes the quiz night ideal for groups of friends, families or anyone who enjoys putting their knowledge to the test together.

The event is being held in partnership with Stadtsparkasse Bocholt.

The pub quiz night will take place on Friday 23 April 2027 at 7 pm at Bocholt City Library, Hindenburgstraße 5. Tickets are available now. The price is 40 euros per team or table for up to four people.
