Be financially independent, build assets, invest in shares, negotiate your salary with confidence, be secure and be successful! The Women's Fair offers visitors tools to achieve these goals.

Look forward to an exciting day where you and your professional and financial goals will take centre stage! Be inspired and inspired by top-class and interesting speakers.

The highlights: The financial expert and founder of "herMoney" Anne E. Conelly will open our event with her lecture "This is how financial independence works!"! We are also looking forward to Helma Sick, financial columnist for "Brigitte", and her talk "A man is not an old-age provision!".

The fair is organised by the Kfd in cooperation with the city of Bocholt.
