## Schlavenhorst: One-sided closure for sewer work

### Road out of town closed // Diversion via Ruenhorst

Bocholt - From Thursday 26 April, one side of Schlavenhorst Street in the industrial estate will probably be closed at house number 42 for several weeks. The reason for this is work on the manhole and the sewer.

The closure affects traffic travelling out of the city. A diversion will be set up via the Ruenhorst road.
