

Road Safety Day

On 22 June, the focus will once again be on road safety: on Road Safety Day, schoolchildren will be introduced to all aspects of road safety.

What is important in road traffic?

The road safety day was held at the textile plant in 2022

On 22 June, St.-Georg-Platz will be all about road safety.

"Children see things differently" is the motto of the City of Bocholt's Road Safety Day. The Borken district police's traffic accident prevention team and representatives from local clubs and organisations will once again be taking part.

Highlights on this day:

- Hands-on stands for schoolchildren
- Children's hands-on theatre by Ines Hansen
- Stage programme by the Bocholt-Isselburg music school
- Police information stand with pedelec simulator
- Seatbelt sled and driving simulator from DEKRA
- Big raffle with great prizes

Award ceremony around 12.30 pm

The Road Safety Day always includes a big prize draw. The winners will be determined at the end of the official programme at around 12.30 pm.
