

Thank you for a fantastic Aasee Festival 2026!

Open-air music, chilled drinks, delicious street food and sunsets right by the water once again made for a fantastic summer holiday event this year for many visitors looking to relax.

The newly implemented safety plan, which included entry controls, proved successful and provided guests with a safer, cleaner and more relaxed festival experience without any major restrictions.

A big thank you to all the catering businesses, volunteers and sponsors involved who contributed to the success of the Bocholt Aasee Festival.
