

# **Bocholt Thaler**

## **The special gift**

The Bocholt Taler is the gift voucher of the ISG Altstadt Bocholt e.V. The high-quality brass Taler worth 10 euros in a velvet pouch is a nice gift for any occasion. There is a special minting for the 800th anniversary of the town.

The Bocholt Taler is available at the Tourist Information and at the Wirtschaftsförderungs- und Stadtmarketing Gesellschaft Bocholt.
