"Unverschämt!" can be taken as an indignant exclamation by those with a sense of humour, but it can also be a genuine mark of quality - as is the case with a FALK concert. In his current concert programme, "Unverschämt", the singer-songwriter delightfully pushes boundaries in every direction, paired with biting yet likeable sarcasm - a lovable rascal, in other words. At the same time, however, he is more than that. The singer-songwriter is a storyteller with a thoughtful side that can really move you. A visit to a FALK concert is perhaps not recommended for those with weak nerves who

tend to be oversensitive, and to anyone of an overly delicate disposition. However, anyone who wants to have a laugh together at the quirks and oddities of everyday life, and who also has the ability to laugh at themselves, will find an evening with FALK not only outrageous but, guaranteed, outrageously good.

FALK has received numerous awards for his art, most recently the GERMAN KLEINKUNSTPREIS 2025 in the music category.

The event is being held in cooperation with Stadttheater Bocholt e.V.
