MÄLKA is dedicated to Motown classics. The 12 members of MÄLKA perform hits by Earth, Wind & Fire, Billy Preston and Stevie Wonder so convincingly that the music gets the audience on their feet.

Evenings with MÄLKA, who thrill audiences on stage with a full brass section and harmonious vocals, are always a delight and make time fly by. You can really sense MÄLKA's enjoyment and enthusiasm as they convey the spirit of the music from that era. The twelve members have been performing with passion for many years and have earned themselves a fine reputation - even beyond their "living room", the Alte Molkerei.
