© Mr. Brassident

Mr. Brassident is an eight-piece band from North Rhine-Westphalia who, using wind instruments and drums, take an adventurous journey through the hits of rock and pop, funk and soul, film and television from past decades right up to the present day.

The musicians humorously adapt their repertoire - comprising laid-back pop, soulful grooves, pulsating funk and pounding metal rhythms - to the analogue world of brass music, ensuring a brilliant atmosphere for young and old alike.
