Petra Albersmann puppet theatre

Tickets online

Tickets and further information are available at <https://www.bocholt.de/puppenspieltage>.

A beautiful queen, a wondrous mirror, a pretty girl and seven dwarves: these are the ingredients for a winter fairy tale. Snow White is to die because she is more beautiful than the queen. She flees through the forest to the dwarves. But the stepmother pursues the child and tries everything to get rid of the girl. Fortunately, the dwarves are there in time. In the end, Snow White accepts a poisoned apple. Can the seven friends help once more?

Children aged four and over can look forward to a magical and fairytale-like story.

The puppet show will be performed by the Petra Albersmann puppet theatre from Hamburg.
