History comes to life: On Sunday 27 September 2026, between 3.00 pm and 5.00 pm, the LWL-MUSEUM Textilwerk Bocholt invites you to experience what life was like in a textile factory around 1900. Visitors can take a journey back in time to see what life was like when the factory gates opened over 100 years ago. On the day, historical re-enactors will provide insights into life and work in days gone by, when the looms were still clattering away at full speed.
