Elegant Affairs:

When music meets stories.

Andre Jockweg on saxophone and Bernd Flaswinkel on guitar and vocals invite you to a special evening full of music and anecdotes.

These two passionate musicians have made it their musical mission to rediscover and breathe new life into gems and classics from the worlds of rock and pop ballads, as well as evergreens. Through commentary on the stories behind the songs, combined with personal and humorous recollections of events from different stages of their lives, the pair take the audience on a wonderful musical journey through time.

All the songs are performed with great feeling and are deeply moving thanks to the unique blend of vocals, guitar and saxophone.

The duo have previously performed at the Alte Molkerei as the musical accompaniment for the concert-reading marking the 100th anniversary of Hanns Dieter Hüsch's birth.
