

Exhibition at the Textilwerk: 200 years of IBENA textile passion

Tue-Sun 01.03.-01.11.2026 | 200 years of IBENA textile passion. As a family-run company, IBENA is one of the oldest textile companies in NRW still in existence today.

© LWL

The exhibition is dedicated to the history of the traditional Westphalian company. Textiles, tools, photographs and advertising material from various periods, as well as current interviews with employees, provide an insight into the world of textile production in the past and today.
