Groove dance

Hammond organ, a funky Hohner Clavinet D6, guitar, drums, bari sax, tenor sax, harmonicas and a megaphone. Many instruments and yet only 4 musicians, three from Münsterland and one from Ruhr. No bass - this soup has to be spooned out by the organ, but this also makes up the sound of the band. In short, this band makes its very own sound, groovy, funky, jazzy, bluesy, analogue, engaging, sometimes very smooth and then again funky and danceable.

The band plays original compositions as well as standards and R&B songs that are given a whole new guise.

Ansgar „Oskar“ Niemöller : Vocals, Sax, Harmonica, Andi Birke : Hammond B3 ,Keyboards, Christoph Blenker : Guitar, Nils Bloch : Drums

CD: Flowerking also on Spotify or amazonmusic
