

Heavy Steps - Lecture: Arriving in Bocholt

Free admission / Registration required

Local authority support for refugees in everyday life

© Stadt Bocholt

What role does the town of Bocholt play in providing accommodation for refugees? What care and support do refugees receive in Bocholt? This talk will shed light on the journey refugees take to Bocholt, their accommodation and the town's housing progression scheme. It also provides information on benefits under the Asylum Seekers' Benefits Act and the wide range of organisations involved in refugee support in Bocholt. Staff from the Social Services Department will share their practical experiences and will be on hand to answer questions.
