

Heavy Steps - Market of Opportunities

Free admission

© Stadt Bocholt

To mark the end of the special exhibition "Heavy Steps: Stories of Flight and New Beginnings in Bocholt", we invite you to the 'Market of Opportunities'. Cultural associations, initiatives and support services from Bocholt will be introducing themselves and showing where people with a history of displacement, an international family background or questions about settling in can turn for help.

The focus is on information, meeting others and sharing experiences - as a visible symbol of diversity, participation and cohesion in Bocholt.
