Herbal walk

Discover the fascinating world of wild herbs

Would you like to find out more about the fascinating world of native wild herbs? Join me on an exciting walk where we'll delve together into the diversity of these natural treasures. Discover their traditional uses, interesting historical background and creative ways to use them in the kitchen.
You'll learn how to identify wild herbs safely, and when, where and how best to collect them. To round off the walk, I'll introduce you to some helpful reading material and identification guides to support you in your further explorations.
