The 6-piece band from Bocholt will once again be performing the absolute highlights of rock history.

With heavy guitar riffs and hard drums, visitors to the Alte Molkerei in Bocholt will be properly heated up on Friday 4 September.

The band around frontman Rolf Moch will rock their way through the popular classics from the 70s to the 90s.

Christina Heming adds even more punch in the vocal department as the new front woman.

Together with Wolfgang Kohler (guitar), Riccardo Cappello (drums), Christoph Deelmann (keys) and Hermann Peters (bass), Hot Button make every stage glow.

A must for fans of handmade rock music.
