

Singer-songwriter Felix Schulz: 'Liedglut'

LIVE & UP CLOSE IN THE FOYER

Free entry

The collection pot will be passed round

Felix Schulz grew up listening to the songs of singer-songwriters such as Hannes Wader, Reinhard Mey and Bob Dylan. They accompany him through the trials and tribulations of everyday life and to the heights of happiness. And following a collaboration between Hannes Wader and Reinhard Mey to mark their 80th birthdays, he felt the urge to write songs himself. He has since even performed them in front of Hannes Wader himself and is a member of the SAGO Songwriters' School.

Felix's songs explore the peculiarities of everyday life, denounce injustices and shed light on the deepest human emotions. Following in the footsteps of his great idols, he is now setting out on his own musical journey. In the hope of kindling in others the same passion that burns within him.
