"p4us" (plus4=in words) is a small band made up of musicians from Bocholt and Rheden. They perform a wide range of musical genres. The line-up features Michaela Muldery on piano and vocals, Karl Dowe on drums, Reiner Keiten-Schmitz on the cajón, congas and handpan, as well as vocals, and Ralf on guitar and also vocals. They really enjoy performing three-part harmonies alongside a variety of instruments, and they're keen to bring that energy to the stage at 'Live & Hautnah'.
