

# "May the Dad be with you!" Father/child Star Wars workshop on 14.05.2026

For the cinema release of "The Mandalorian and Grogu" in May 2026, there will be an intergalactic workshop at the LWL-MUSEUM Textilwerk.

Together with your father, you can feel the main character of the film, Grogu (Baby Yoda) - and he will be all yours. With felting wool, needles and lots of imagination, you'll conjure up expressive ears, cute eyes and the brown robe. You will learn about traditional textile techniques and find out what the costumes of the Star Wars characters are made of. Galactic biscuits await you on the way!
