

Open children's shooting festival organised by the St. Stephanus shooting club

St Stephen's shooting festival 2026

St Stephanus-Schützenverein Bocholt cordially invites you to the open children's shooting party.

For us, open means: all children are welcome - even if their parents are not members of the club. On this day, the children are clearly the centre of attention. Look forward to a great children's shooting party with a bouncy castle, games, fun and a good atmosphere.

While the children have a great day and compete to be crowned king, parents, families and friends can enjoy the relaxed atmosphere with a "chill and barbecue".

Just come along and celebrate a relaxed, family-friendly day with us at St Stephanus-Schützenverein Bocholt.

Tradition and community - even for the youngest.
