

The Fat, Unsexy Käthchen von Heilbronn - a theatre performance with a champagne reception on Thursday 15 October 2026 at 6.00 pm

A performance accompanying the special exhibition "Behind Beauty" featuring Regine Andratschke. Over the course of around 60 minutes, the actress uses humour and self-deprecating humour to explore the rigidity of theatre structures, the shackles of beauty ideals and the unbridled determination to fight for one's own dreams.
