One moment you've just wiped away a tear of laughter, and the next, as the next moving ballad begins, a tear of emotion joins it.

One moment you were spellbound by the original lyrics, the next you're singing along at the top of your voice to the next song.

One moment a percussion instrument was rustling away; the next, the thumping beatbox is blaring out at you.

Sandra, Cairo, Lars & Sven can do all that - and they do it all. Why? Well, Die Dürfen Das!

Die Dürfen Das captivate audiences with the rich, full sound of their voices.

As an added bonus, they complement their a cappella singing with a treasure trove of percussion instruments of all kinds, without losing the charm of a vocal ensemble.

They show that they can both enchant with their voices and captivate with original lyrics and stage performances. They rely on tongue-in-cheek German lyrics they've written themselves, occasionally borrowing a few lines from well-known songs, and take the audience on a journey across all musical genres.

And the audience is often happily drawn into the show too.

Why? Well, they're allowed to!
