An evening with class

Beate had actually imagined it would be so nice: For the anniversary of her amateur theatre group, there should finally be a play with class! Instead of the usual peasant theatre, a funny British crime classic. But then everything goes wrong: the men in the group don't like the play, the costumes are a joke, a bank robbery puts the whole town on alert and then something is very wrong with the French director who has been hired at great expense....

Be there when the Heimatbühne Hamminkeln e.V. makes its Bocholt debut in the Alte Molkerei - with "This time something with class" by Andreas Heck. We look forward to seeing you!
