Tim Salabim brings the steepest and hottest sounds of pop music history from the 80s and 90s and lovingly combines them with the modern sounds of today. Once under his spell, pure joie de vivre pours over the fascinated audience. Rousing rhythms, catchy lyrics and poignant images move the legs and the heart.

Tim Salabim's universe is a veritable treasure trove of good humour and musical exuberance: when the all-rounder conjures up the SLA-pocalypse on his electric bass - the soprano among instruments - not a foot remains still and not a dry eye in the house. Tim Salabim is both eye and ear candy. Whether you're a gourmet or a fast food fan: here, just like David Copperfield, a treat is conjured up for every taste.

In short: the finest funk and pop music, garnished with a good dose of wink and energy that promises a rousing experience!
