

Painter

Unfortunately, we are not offering any apprenticeships in this occupation for the 2024 recruitment year.

– What we offer you

What do we offer you?

- A three-year apprenticeship in the municipal painter's workshop with theoretical instruction at the [Berufskolleg Bocholt-West](#) and practical inter-company courses at the [BBS Ahaus](#).
- A creative range of tasks in the field of colour design and surface treatment with a wide variety of materials
- An [attractive income](#)
- Working in a committed and open team

– What you should bring with you

- At least a secondary school leaving certificate
- Craftsmanship and a good understanding of colour
- Creativity
- Diligence
- Ability to work in a team

– The content of the training is as follows

The three-year training takes place in the municipal painter's workshop in Bocholt, with the vocational school training taking place at the Berufskolleg Bocholt-West and at the BBS-Ahaus.

The 1st year of training includes:

- Getting to know a wide variety of materials, paints, varnishes and putties and their characteristics
- Selecting, handling and maintaining tools and equipment
- Implementing protective measures for surfaces, components and objects that are not to be worked on
- Occupational safety and handling hazardous substances

The 2nd year of training includes

- Getting to know different coating systems
- Design and maintenance measures
- Testing, evaluating and processing substrates
- Environmental protection
- Carrying out quality assurance measures
- Preparing activity reports, recording time and material consumption

The 3rd year of training includes

- Determining substrate damage and assessing it
- Producing painting, plastering and special techniques
- Corrosion protection measures and their application
- The preparation of colour designs and material plans

— Here you can work after the training

After completing vocational training, there are employment opportunities:

- in painting companies,
- in paint shops and
- in plastering companies

I will be happy to answer any further questions
