

Compost sale

Here you can get compost from Bocholt

Organic waste is turned into high-quality compost in composting plants. This is used in the garden to improve the soil and replaces potting soil and peat products.

How much does compost cost?

4 bags of 20 litres each cost 5 euros.

Payment can be made on site at the automatic pay station in cash or by EC card.

Where can I get compost?

You can get compost

- at the **recycling centre at Schaffeldstraße 74, 46395 Bocholt**
- at the **waste disposal company (EGB), Bovenkerkesch 14, 46395 Bocholt**
