

Industrial and commercial areas

Would you like to relocate your company to Bocholt or expand within Bocholt?

There are currently vacant industrial and commercial sites for sale in three municipal business parks. Fully developed building plots are offered in various plot sizes. Depending on your industry and search criteria, we will find the right commercial site in Bocholt for you.

You are looking for a site - contact us!

The business development department is available to you as a contact partner in the process of allocating plots and will look after you throughout the application procedure.

Environmental and climate protection have a high priority in Bocholt - also when it comes to the allocation of commercial and industrial sites.

When applying for a plot of land, companies are therefore assessed with the help of an allocation concept. This takes into account the
