"Company of the Year 2022": And the winner is... BENNING Elektrotechnik und Elektronik GmbH & Co. KG

Every two years, the "Company of the Year" prize, worth €5,000, is awarded to a Bocholt-based company. This prize is intended to recognise the company in question for its exceptional entrepreneurial achievements and responsibility in the city of Bocholt. The successes of committed companies and entrepreneurial personalities are to be popularised in order to provide impetus for further innovation and investment in Bocholt and the region. The aim is to promote the location and employment in Bocholt.

The prize was initiated and has been organised by Stadtparkasse Bocholt since 1996.

With the awarding of "Company of the Year 2012", Wirtschaftsförderungs- und Stadtmarketing Gesellschaft Bocholt mbH & Co. KG was asked for the first time to take over the organisation of the selection of the company to be honoured and also the implementation and conception of the festive event. In this context, the award criteria were revised. The Entrepreneur Award will continue to be sponsored by Stadtparkasse Bocholt.
