Civic engagement deserves recognition and appreciation!

That is why the North Rhine-Westphalian state government, together with many cities, districts and municipalities in the state, has introduced a state-wide volunteer card.

In Bocholt, too, deserving citizens who voluntarily help others can be awarded an honorary activity card.

The Ehrenamtskarte is an expression of appreciation for the great voluntary work of citizens and combines this appreciation with a practical benefit.

People who spend a particular amount of time working for the common good can use the card to take advantage of various offers from public, non-profit and private institutions at reduced rates.

In addition to many benefits from the state of North Rhine-Westphalia, the Ehrenamtskarte is also linked to numerous offers from the city of Bocholt and, above all, from partners in the local economy, from associations and cultural institutions.

Frequently asked questions

– What is the Ehrenamtskarte?

With the Ehrenamtskarte, the city of Bocholt, the state government, the other participating municipalities, and above all entrepreneurs and traders from Bocholt would like to express their appreciation of people who do an above-average amount of voluntary work for the common good.

The Ehrenamtskarte has a cheque card format and bears the coat of arms of the state of North Rhine-Westphalia and that of the city of Bocholt.

As a sign of recognition and appreciation, the Ehrenamtskarte in Bocholt is handed over personally by the mayor or his deputy.

– What benefits do I receive with the Ehrenamtskarte?

Holders of the Bocholt volunteer card can take advantage of numerous attractive discounts in all participating municipalities. These include - depending on the municipality - reduced admission prices for museums, swimming pools and other public leisure facilities as well as discounts on adult education courses, in theatres, etc..

Each city has its own offers. The attractiveness of the volunteer card also depends above all on the offers of local partners from the private sector, clubs and cultural organisations.

In Bocholt, many partners are already involved in the volunteer card and more partners and therefore offers are constantly being added.

Holders of the volunteer card are regularly informed by the city about changes to the offers.

Requirements for receiving the Ehrenamtskarte

The basic requirement for the award of the volunteer card is an average of at least **five hours** of voluntary or civic commitment **per week** or **250 hours per year**, for example in a club, social organisation or independent association.

The volunteer card is intended in particular to express thanks and recognition to those who **do not receive any financial benefits** for their commitment in **the form of lump-sum expense allowances or similar**. Voluntary work must have been carried out for **at least one year in the area of the city of Bocholt** and be confirmed by the organisation in whose area you carry out the work.

For holders of the youth leader card (Juleica):

Holders of the Juleica  can also apply for the volunteer card, provided they have actually taken up a voluntary commitment. The other conditions listed above do not apply in this case. Please enclose **a copy of your Juleica when applying**.

Where is the Ehrenamtskarte valid?

The Ehrenamtskarte is valid throughout North Rhine-Westphalia, in all participating municipalities. You can find out which municipalities are already participating in the Ehrenamtskarte at www.ehrensache.nrw.de .

Where can I apply for the Ehrenamtskarte?

You can apply for the volunteer card at the Department of Social Affairs at the "Service Office for Pensions, Senior Citizens, Care and Volunteering" of the City of Bocholt.

It's quick and easy with the application form.

How long is the Ehrenamtskarte valid?

The Ehrenamtskarte is valid for two years after it has been issued. The Ehrenamtskarte can be re-applied for after expiry.

How much does the Ehrenamtskarte cost?

The Ehrenamtskarte is issued free of charge by the city of Bocholt to those who are committed. It is a tribute to all those who volunteer a considerable amount of their time and energy for our society and thus contribute to the common good.

The NRW anniversary volunteer card

Anyone who has **volunteered for at least 25 years** can receive this special honour or be nominated for it.

The **NRW** anniversary volunteer card is a sign of recognition for many years of civic commitment and a small thank-you from the state of North Rhine-Westphalia for all those who volunteer their free time.

What is the anniversary volunteer card?

The city of Bocholt also issues the NRW anniversary volunteer card, which is valid indefinitely, and thus offers a further instrument of recognition for long-term voluntary work in addition to the NRW volunteer card. In order to receive an NRW anniversary volunteer card, **a minimum of 25 years of civic engagement must have taken place**. This commitment can have been performed in various organisations.

It is also intended for long-term volunteers who do not or no longer fulfil the required five hours of voluntary work per week.

If the commitment has been interrupted in the meantime, for example for periods of child-rearing or caring, this will be taken into account. Once issued, the NRW anniversary volunteer card is **valid for life** and therefore does not need to be extended or reapplied for. With the NRW anniversary volunteer card, it is possible for associations or organisations to nominate volunteers to be awarded the card.

The same benefits can be claimed as with the NRW volunteer card.

Digital app instead of plastic card

The new **app "Ehrenamtskarte NRW"** is available to volunteers. Not only can the volunteer card in Bocholt be easily downloaded onto a smartphone or tablet and presented, it is also easier to apply for or renew the volunteer card. A **written application in paper form will no longer be necessary in future.**

Holders of the volunteer card already benefit from **more than 4,700 discounts and special offers across the country.** With the new, nationwide unique digital offer, the thank-you offers can be called up at any time by localising the location. The app also allows users to navigate their way to the offers.

The app is available for the two most popular mobile operating systems, iOS and Android. It can be **downloaded free of charge from the Apple App Store and the Google Play Store.**
