

Bocholt Maps, city maps and 3D model

On the municipal geodata portal [Bocholts Maps](#), public city maps with various themes are available, which you can select according to your interests and areas of life:

- Shopping & Service
- Seniors & Care
- Traffic & Mobility
- Planning & Building
- Leisure & Culture
- Information on inner city development

You can search for specific addresses in Bocholt and easily activate or deactivate information on individual topics.

You will also find a **3D city model** and other plans on specific topics, for example an inner city map.

Official city map
