

Aasee Festival

Many activities and programme in the bathing bay

© Stadtmarketing

After the successful highlight in the last anniversary year, there will also be an Aasee Festival at the bathing bay in Bocholt this summer. A repeat was the wish of many visitors. In a somewhat smaller form, a free stage and entertainment programme for the whole family will again be offered from 11-13 August. Various food trucks, drinks stands and the Strandcafé Ottilie will cater for the physical well-being.
