All hiking enthusiasts are cordially invited to take part in "Bocholt hikes" and discover the beautiful and partly unspoilt nature around the rural Bocholt district of Barlo individually, without competition and in a completely new way. Mark the date in your diary now!

Meeting point: Diepenbrock Castle (Bocholt | Barlo district)

As a special highlight, the longest of the three hiking routes will even cross borders, so that participants can also experience part of the route in our neighbouring Netherlands. There will be refreshment stops along the way where participants can have their hiking pass stamped.

On offer are:

25 km hike (cross-border D-NL) - start: 08:30 am

15 km hike - start: 09:30 am

8 km family hike - start: 11:00 am
