

Bocholt late shift with the mayor!

Get deeper insights into the company CAISLEY International GmbH as well as an overview of current topics of the city of Bocholt from Mayor Thomas Kerkhoff at the Bocholt late shift with the mayor

CAISLEY International GmbH feels particularly committed to the Westmünsterland region. The family-run company has been producing and selling its products, some of which are market leaders, for animal identification, animal marking and animal breeding equipment worldwide for more than 35 years. The company relies on state-of-the-art technology and constant new developments and has therefore created highly efficient production systems in the newly built halls in order to work in a sustainable and value-adding manner.
