

Day care day

Many activities are taking place throughout the Borken district to mark Day Care Day on 19 March. Bocholt facilities are also taking part - you can find an overview here.

On "Day of Day Care", [more than 30 facilities in the Borken district](#) open their doors to interested parties in the afternoon or evening. "We don't want to talk about the day care services on offer without involving the day care centres themselves, because they are the professionals" says Lena Schlamann.

On this day, visitors can obtain information and advice from staff on site and ask questions.

Many day care centres in the city offer themed events. Interested parties can find out more about the topic there.

In Bocholt, the following facilities are taking part in the day of action:
