Chinese Evelyn (Michelle Yeoh) runs a laundromat in the USA and lives a quiet life with the usual problems. During a tax audit (Jamie Lee Curtis), Evelyn is suddenly catapulted into a multiverse. She learns that she can adapt and link her abilities in the individual universes. As if that wasn't enough, she is the only one who can save the multiverse from a criminal. To save the worlds, Evelyn embarks on a breathless chase through the dimensions. This Oscar-winning film is not only a gripping, crazy and visually stunning sci-fi action film, it is also a hidden love message to life and people with all their faults.
