Falk Zenker

The Weimaer guitarist, composer and sound artist Falk Zenker was recently named "one of the most creative nylon guitarists in the country" by the trade magazine "Akustik Gitarre". With his associative music between the Middle Ages, classical music, flamenco, improvisation and modern world music - realised with virtuoso guitar playing, unusual sound generators and ingenious live looping - the Weimar guitarist, composer and sound artist Falk Zenker can now look back on more than 25 years of solo concerts.

In the programme "Falkenflug" with music from his last three albums (Estampie/ Falkenflug/ Wellentanz) and the latest unreleased material, he takes his audience to breathtaking heights, to weightless dreamscapes and to cheerful-creative leaps of thought through time and space. Music that touches deeply and takes you far away!
