In "Golden Girl für alle Fälle", the one and only life counsellor Helene Mierscheid tells of her most difficult cases - from politics and her everyday life.

In addition, she solves the problems of the audience - everyone is allowed to fill out a worry note and throw it into the Traumabox. Helene solves the problems in her very special way. At the end of the evening, the guests are one problem poorer and many insights richer.

You can look forward to an evening full of punchlines in a class of its own. Laughter is healthy and the multiple award-winning Helene is available without prescription at your theatre.
