

# India

## Theatre in the evening

Cult comedy by Josef Hader and Alfred Dorfer, performed by the "Neues Globe Theater, Potsdam".

"India" - a scavenger hunt through the German provinces. India is the land of longing for Kurt Fellner, a field supervisor at the Brandenburg Tourist Office and responsible for controls in the hotel and restaurant industry. Together with his colleague, the restaurant inspector Heinz Bösel, he goes on a business trip to the supposed service desert of Brandenburg. One tests the beds, one the schnitzels. And on this tour they discover what real male friendship is all about: drinking, arguing, making up. The journey of the two likeable unsympathetic men through the Brandenburg province thus also becomes a journey to themselves at the end of the biting fun.

Admission: 19 euros
