

Live to the screen

Film and music

Alfred Hitchcock's 1927 silent film classic "The Lodger-A Story of the London Fog" with live music by Johannes Fischer and Nicholas Rimmer.

Johannes Fischer is celebrated by the press as a sound magician among percussionists, Nicholas Rimmer is one of the most sought-after international award-winning chamber musicians and song accompanists.

Far beyond the use of the traditional silent film piano and the sounds of the theatrical noisemaker, the two musicians each develop a highly original and personal musical language that allows the audience to experience these wonderful works of film art in a whole new way.
