The board of ISG Altstadt Bocholt e.V. has come up with a new campaign for all Bocholt residents, visitors and guests of the city. Starting in September, a **"Motto Thursday"** is to be introduced in Bocholt's city centre, always on the 1st Thursday of the month at the evening market from 3 pm. The town centre community would like to offer customers something special on these days through the various mottoes and in this way also draw attention to the fact that shopping and strolling in the town centre should be a shopping experience and fun.

On the one hand, Motto Thursday will be visible in the shops, e.g. through smaller activities, decoration in the shop window, etc., and on the other hand, the evening market will also be involved, with various activities taking place depending on the motto, e.g. handicrafts, campfire feeling, etc.

First "Motto Thursday" on 07.09. with culinary delights from Bocholt for shopping at home

On Thursday, 7 September, the community will start with the motto "**Culinary delights from Bocholt for shopping at home**". For this purpose, the already familiar "**Heimat shoppen**" paper bags and balloons will be distributed throughout the city centre so that customers can use the free bags when shopping from 7 September onwards. To go with the new "Heimat shoppen" napkins, participating traders will be offering culinary platters with cheese snacks, sausage snacks and small bread confectionery from local traders to try. A Tourist Info stand will be set up at the evening market where souvenirs and accessories from Bocholt will be available for purchase.

The next Motto Thursdays this year are on **05 October, 02 November and 07 December**.
07 December - everyone can look forward to the different mottoes!
