

# International Network Office - Network Breakfast

---

We would like to cordially invite you in cooperation with the IHK Nord Westfalen to the network breakfast on 16.05.2023 from 08.00 a.m. at Meierschultz Schweisstechnik Handels GmbH (Franzstrasse 24 - 46395 Bocholt).

We are pleased to welcome Prof. Dr. iur. André M. Latour, Vice President of the Westphalian University of Applied Sciences for Sustainability and International Affairs, as guest speaker. The topic of his lecture is: "Impulses for the economy on sustainability activities from the university". Prof. Latour will shed light on the role of the university with regard to sustainability and the possibilities of cooperation between companies and study programmes in the field of sustainability. A topical issue for the border region. Meierschultz will present a co-elder with experts from Migatronic to show practical application of automation.

We look forward to your registration by e-mail: [koller\(at\)bocholt-wirtschaftsfoerderung\(dot\)de](mailto:koller(at)bocholt-wirtschaftsfoerderung(dot)de)
