

"The purple sails" - The special film

Fairytale-like story with poetic images. 8 pm// Kinodrom// 6 euros or Kulturpass Fable about the life and upbringing of young Juliette in the years between the world wars in a village in Normandy.

© (Pffiff Medien)

Normandy, 1919: Raphael, a former soldier who survived the First World War, and his young daughter Juliette live in seclusion in a small village in the north of France.

One summer, Juliette meets a boy her own age: Jean is a wealthy heir whose heart and soul are set on conquering the sky. A secret pact is made between these two dreamy children that will outlast time and tragedy.

An emotional and poetic cinema experience that is a ray of hope in these currently war-driven times. We can only create what is called a miracle with our own hands.

100 minutes, Director: Pietro Marcello
