At the latest when Helga crashes through the floor of her living room, she realises that she is stuck. It has been two years since her husband left her for another woman. Everything changes when her cleaning lady goes on holiday and sends the Polish worker Ryszard as a replacement.

Initially himself the target of Helga's displeasure, Ryszard soon becomes her confidant despite language barriers. In the protection of their own four walls, the two become closer. But when Helga's family and friends find out, she finds it difficult to admit to Ryszard and her feelings. Will Helga sacrifice her young, late happiness to social conventions...?

About the special film campaign

The film series "KINO Bocholt - der besondere Film" has existed since 1977 as a cooperation between the Department of Education and Culture and the Kinodrom Bocholt.
