

Krammarkt Bocholt - stroll, rummage, enjoy!

The shopping experience in Bocholt city centre

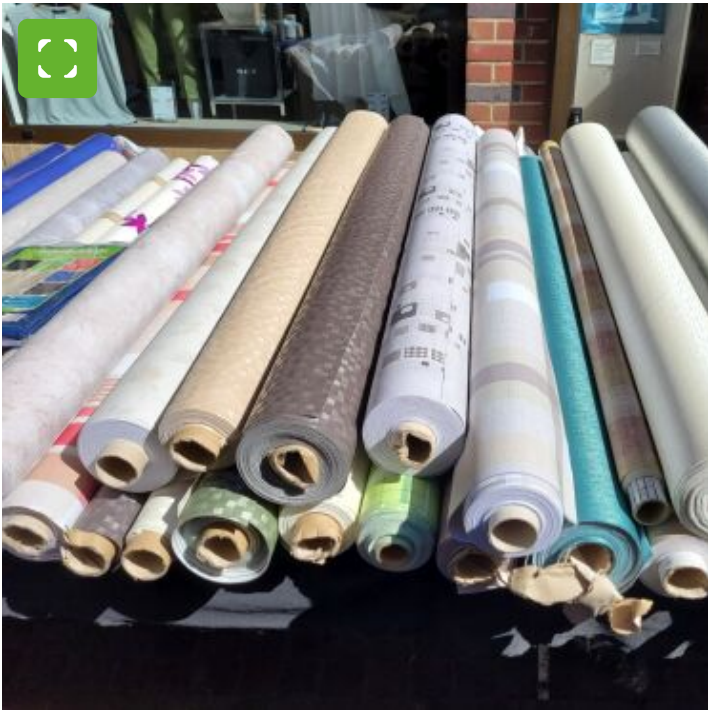

Once a month, Bocholt's city centre is transformed into a paradise for anyone who likes to browse, bargain and shop: **welcome to the Krammarkt in Bocholt!**

From 09:00 to 18:30, "flying" traders from near and far present their diverse offerings - from practical household goods, fashionable textiles, bags and purses to jewellery, spices and many small specialities that can only be discovered here.

The market stalls extend across **St.-Georg-Platz**, the **market square** in front of the historic town hall, **Nordstraße**, **Osterstraße**, **Neustraße** and **Neutorplatz**. This turns the city centre into a lively meeting place where there is always something new to discover.

But the Krammarkt is more than just shopping: Enjoy the charming atmosphere of Bocholt's city centre, treat yourself to a cup of coffee, a piece of cake or a delicious ice cream in the surrounding cafés - or take a stroll through the open shops.
