

Funboat tours on the Bocholter-Aa

Travel downstream on the "**Bocholter Aa**" in rubber dinghies from Jahnstraße in Rhede to the **LWL-Museum Textliwerk Bocholt**. On this leisurely paddle trip, you will reach the Bocholter Aasee, take a well-earned break at the beach café and marvel at the Chinese pavilion on the Aasee island. The paddle tour ends at the northern end of the lake on Uhlandstraße after a trip across the Bocholter Aasee.

After a short walk along the Bocholt-Aa, you will reach the city centre, where you can end the day in a nice restaurant. If you wish, we can book a restaurant for you.
