Fast. Colourful. Curvy. That's "Heidi the Coaster". Fresh and cheerful to look at, like a smart dairymaid on the mountain - and it rides as smoothly as a well-earned fruit schnapps after a day on the mountain pastures. The Bavaria-style Boost Spinning Coaster takes visitors into Heidi's world. Free-spinning four-seater gondolas complete the look. Passengers take a seat on rustic "inn chairs". But the Bavarian cosiness is deceptive as soon as Heidi starts moving: Thanks to the powerlift, the gondola speeds up to a height of 13 metres. With a lot of jucchee! it's off onto the curvy piste...more difficult!
